

It is my great privilege and honor to nominate prospective cadets from Florida's 23rd Congressional district for the service academies of our nation's five military branches: the U.S. Air Force, U.S. Coast Guard, U.S. Merchant Marine, U.S. Army, and U.S. Navy. The dedicated men and women of our armed forces provide an invaluable service to our country, and I commend you for your interest in pledging your life to a cause greater than yourself.

My district staff will be happy to help you obtain a Congressional nomination for your application to any of these fine service academies. *Please note that, unlike the other service academies, the U.S. Coast Guard Academy does not require that applicants have a nomination to be considered for admission.*

Please find below the links to the official websites of the five U.S. service academies. If you have any further questions or would like to solicit a Congressional nomination to apply to a service academy, please contact:
